

GPS for IFR Pilots

This event will discuss the rules and regulations surrounding GPS use in IFR conditions and GPS terminology. The seminar will also focus on using the Garmin 430 and 530 GPS for instrument approaches and other instrument procedures. Coffee and refreshments will be served starting at 8:45 AM.

Directions: Enter through the main entrance for Pilot Petes. The follow the stairs on the left down and follow the signs for Northwest Flyers.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
